

# imaxx Canadian Fixed Pay Fund

As of August 31, 2018

“The fund invests in the most promising dividend-producing North American companies to maximize growing power; the bond component provides good downside protection, as well as attractive yields.”

– Suzann Pennington, CFA, ICD.D,  
Chief Investment Officer  
Foresters Asset Management Inc.

The fund’s aim is to provide a consistent stream of monthly income and some capital appreciation by investing in a portfolio of Canadian fixed income and North American equity investments.

## Performance

The fund has demonstrated strong and consistent returns since its inception versus its peer group.

## Who Should Consider imaxx Canadian Fixed Pay Fund?

- **Canadian baby boomers who are fast approaching their retirement years:** They need investment solutions which are strong and sensible, yet easy to understand and that take advantage of market opportunities. The fund is an all-in-one solution, offering investors both attractive and stable income and a generous equity weighting that will help grow their portfolio.
- **Investors looking for tax-efficient income:** Overall, the fund provides relatively high tax efficiency: return on capital, capital gains, and dividends enjoy lower tax rates than other income-paying investments.
- **Investors who need the stability of a global organization with an institutional focus:** This fund makes excellent use of Foresters Asset Management's team of investment professionals, dedicated to unearthing the most attractive investment opportunities in the North American marketplace.
